

LLIS.gov Mass Evacuation Resources

A TOOL FOR ENHANCING NATIONAL PREPAREDNESS

Lessons Learned Information Sharing (LLIS.gov) is a US Department of Homeland Security/Federal Emergency Management Agency program. *LLIS.gov* serves as the national, online network of lessons learned, best practices, and innovative ideas for the emergency response and homeland security communities. This information and collaboration resource helps emergency response providers and homeland security officials prevent, protect against, respond to, and recover from terrorist attacks, natural disasters, and other emergencies. *LLIS.gov* provides Federal, State, and local responders with a wealth of information and front-line expertise on effective planning, training, and operational practices across homeland security functional areas.

LLIS.gov at a Glance

- Online since April 19, 2004
- Over 55,000 registered members
- Over 14,500 documents, including more than 1,800 state and local plans, 800 after-action reports, and 1,000 original content documents
- Secure message boards and collaboration tools
- Targeted information on current homeland security topics

MASS EVACUATION PAGE FEATURES

The *LLIS.gov* Mass Evacuation page is a one-stop resource for basic evacuation guidance, evacuation plans, and information related to evacuation transportation, reentry, urban area evacuations, evacuee sheltering, and hospital evacuations. The page offers evacuation planning guidance on topics such as:

- City/state-assisted evacuations;
- Evacuation behavior;
- Evacuation reentry;
- Evacuation transportation and traffic control;
- Mass sheltering;
- Public communications; and
- Shelter-in-place.
